

Dear Project #3 Dreamers,

Graduations are finished and it is time to make sure you are putting things in place for a smooth transition to college or career school in this fall. I am looking forward to working with you on your educational dreams and goals.

Below, I have provided for you a simple “checklist” of what you need to do. I suggest that you start putting these items into a folder and begin bringing what you have to me so I can start your post-high school file and so you will have things in place to receive your IHAD tuition assistance.

PLEASE...READ THIS INFORMATION OVER CAREFULLY!!! I am here to assist you in this process so if you have questions regarding any of these items, get in touch with me ASAP. Fall will be here before you know it.

My office is now located in the Advising Dept. in the newly remodeled Gaiser Hall at Clark College. (My contact information is at the bottom of this page.) I will also post this letter on the IHAD website: www.swwa-ihad.org under “Links” menu (document titled “IHAD College Checklist”)
